

Custom Software SOLUTIONS INC.

March 7, 2007

To: The Broker's Workstation Users

Dear Valued Client:

Re: Launch of New Custom Software Solutions Website

Custom Software Solutions Inc. (CSSI) is pleased to announce the launch of its new corporate website located at www.cssionline.com. Figure 1 shows the new CSSI homepage.

Figure 1

Custom Software
SOLUTIONS INC.

297 Nelson St. W. P.O. Box 639 Virden, MB, R0M 2C0
Tel: 204-748-4800, 1-888-291-3588 Fax: 204-748-4806
www.cssionline.com

The new site will keep visitors up to date on the latest in CSSI happenings, media releases, and products. For those users that regularly visited www.cssionline.com to access The Brokers Workstation (TBW) Website this site can now be found by selecting “Brokers” under “Products” on the homepage and then clicking on the TBW logo or following the links within the first paragraph. (Figure 2) The TBW site can also be found at www.thebrokersworkstation.com. (Figure 3)

The Broker's Workstation for Windows 95/98/NT/2000/XP

The one and only fully integrated SEMCI solution

[Benefits](#)

[Product Features](#)

The Broker's Workstation is the first truly integrated Windows-based management system designed by brokers for brokers. The Broker's Workstation has been designed by Custom Software Solutions Inc. from the ground up to provide a comprehensive business management system for any size insurance brokerage.

"Our brokerage has been involved from the outset in working with The Broker's Workstation. It is the most innovative and time saving tool I have seen that is available for brokers"

Blair Andrew, Andrew Agencies, Carlyle, SK

The Broker's Workstation takes care of every task from client database management, home evaluation and rate comparisons to back office accounting and reporting functions. It is easy to learn and very user friendly.

The Broker's Workstation truly is the industry SEMCI (Single Entry Management Computerized Information) solution.

For assistance in using the new website, please contact our Support Team at 1-888-291-3588.

Please share this information with all TBW users in your office(s) and thank you for using TBW.

Yours truly,

Custom Software Solutions Inc.
