Custom Software Solutions Announces Additional Integration Features to SGI's Broker Websites

December 2010 – Virden, MB – Custom Software Solutions (CSSI) is pleased to announce the following additional integration services to SGI CANADA's Broker websites through use of The Broker's Workstation (TBW) WebConnect tool. WebConnect allows the TBW user to access various insurance company and service bureau websites quickly and easily directly from the TBW interface. With SGI CANADA websites username, password and policy number is automatically populated streamlining workflows and allowing seamless access to information as follows:

Manual Endorsements Transaction – SGI CANADA Saskatchewan site only

Policy Declaration Page Inquiry - SGI CANADA, SGI CANADA Insurance Services Ltd., Coachman, and ICPEI

SGI Claims Submission page - SGI CANADA and SGI CANADA Insurance Services Ltd.

CSSI continues to deliver to brokers optimal integration tools using its own industry leading I-Biz and Web Connect products. "We will deliver as many integration tools to our brokers as possible to streamline their workflow and eliminate duplicate processes," said Scott Andrew, CEO of Custom Software Solutions. "Despite the onset of individual Insurance Company processes we have not lost site of creating a SEMCI environment for our Brokers. SGI CANADA's willingness to integrate their websites with our products allows us to continue that vision."

"We are always looking for new ways to make it easier for our brokers to do business with us," said Andrew Cartmell, President and CEO of SGI CANADA. "By partnering with Custom Software Solutions, we're pleased to be able to provide our brokers with an easier, more efficient way to access our website. Brokers now have a direct link to inquire on policy details or submit a claim, saving them time and enhancing customer service."
